General Information on IOSCO

The International Organization of Securities Commissions

The member agencies currently assembled together in the International Organization of Securities Commissions have resolved, through its permanent structures:

- to cooperate together to promote high standards of regulation in order to maintain just, efficient and sound markets;
- to exchange information on their respective experiences in order to promote the development of domestic markets;
- to unite their efforts to establish standards and an effective surveillance of international securities transactions;
- to provide mutual assistance to promote the integrity of the markets by a rigorous application of the standards and by effective enforcement against offenses.
